Re: Formal Approval of Form and Amount of Revised Reclamation Surety, Kennecott Utah Copper Corporation (KUCC), 4<sup>th</sup> Line Expansion, M/035/011, Salt Lake County, Utah

Dear Ms. Doughty:

On April 20, 2001 the Director of the Division of Oil, Gas and Mining formally approved the form and amount of the revised reclamation surety for KUCC's 4<sup>th</sup> Line portion of permit M/035/011. The surety was revised by a rider increasing the existing St. Paul Fire and Marine Insurance Company surety bond #400JZ4230 from \$6,372,000 to \$8,600,000. ***The Division hereby accepts the revised reclamation surety for the KUCC 4<sup>th</sup> Line Expansion.***

As the surety was revised by a rider, a revised Reclamation Contract is not required. Enclosed please find copies of the surety rider, Power of Attorney, and Resolution by the Board of Directors for your files.

Thank you for your cooperation in adjusting the reclamation surety amount. Please call me if you have any questions in this regard.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
